“ *Joan Samalya posted a condolence Al, my dear friend I will miss you. I always had comfort knowing you were just a phone call away. My family and I have sat these past few days remembering you and all of our fun together. Luke remembers our days at my house hanging with you by the pool, Samantha remembers our trip to Florida, Robin remembers your dentist helping her have her tooth fixed, Michele remembers all of the good times and Mike and Marie remembers the dinner at your home. You will be sorely missed my friend.*

*To your family you much love and sympathy is sent your way. Know that your dad was loved by all who knew him.*

*God Speed, Al*

“ *Angela Hamilton posted a condolence Chris and Rachel:  
I am so sorry for your loss. My thoughts and prayers are with you.  
When my mother passed I listened to A'int No Need to Worry and  
the lyrics below helped me tremendously:  
It makes no difference how long the day,  
trust in God, He'll make a way;  
Weeping will last, but only for awhile,  
but when the sun shines, you'll wear a smile;  
And I say, thank you Jesus,  
in the presence of all those who hear my voice.*

“ *Marsha Graber posted a condolence Al.....I can't believe you're gone. You were such a good buddy over the years and always came to my rescue when I needed help. I will never forget how you and Tony moved me into my new apartment 23 years ago and carried my huge couch (2 parts) up 8 flights of stairs as you couldn't fit it into the elevator! You never complained once while your backs were breaking! You stopped by my desk every day to say hello "Molly"and chat for a while. Never knew why you gave me that nickname! I missed you terribly when you left and I now will miss you forever!*  
*Blessings and Condolences to your family. Rest in Peace Al.....*
