“ Bobbi McDermott posted a condolence I made friends with Ann at Grumman. She was a very warm person. I remember her telling me she was a member of the Red Hat Ladies. She always let me know about her cat and her Mom. We had many good times at Grumman. She loved life and the church and was always smiling even though her feet hurt! I will never forget her.

“ KW lit a candle My sincere condolences to Our Holy Redeemer clergy, staff and parishioners. Ann, I will never forget your kindness and thoughtfulness. As an altar server at “The Absolutely Beautiful Church” in Freeport, I was always asked by you to serve at the altar whenever I could. Thanks be to God I accepted that invitations (most of the time). I am happy that you accepted the invitation to be numbered amongst the blessed in the Kingdom of God. RIP
In Christ, KW
