“ Rosemary Costabile posted a condolence Anthony and AJ were like family to Tom, Bridget, Ray, James and Riley Catapano. I will forever remember his larger than life presence and the way he greeted me ant the end of every Basketball game with a great big hug! He was an outstanding role model and an asset to the Baldwin School District. He will be sadly missed by many, but I know they will keep his memory alive forever. My thoughts and prayers are with his family. May he rest in peace.
