

Barbara H. Ducharme

February 6, 1928 - August 14, 2022

She passed on 8/14/22 in Florida after a long illness at the age of 94. She lived a long and full life. Barbara raised 5 children. She worked for many years for the Federal Reserve Bank in New York City. After retirement she spent time traveling around the world and visiting her family and extended family around the country. She loved everyone and everyone loved her. She laughed and made people laugh wherever she went. She loved to dance and listen to the oldies. She was a voracious reader and loved to sit on the porch or patio reading, occasionally looking up to take a glimpse of the world around her.
