“ I was very saddened to hear of the passing of my dear friend and colleague Beverley. We worked closely together for many years at ATP. She always had a great sense of humor and was fun to work with. We went thru both good and bad times together. She always was optimistic about things and always saw the good in people. My sincere condolences to Richele, Nikko and the rest of the family. May She Rest In Peace with her beloved husband Hattan. The trips we took to Jamaica, the fun gatherings in Maryland and New York for varying reasons or sometime 'just because'. We will miss you terribly but we know that you have those angels in heaven singing Karaoke every day. I can just hear you saying ' you have your song'. “Wow, what can I say about this wonderful woman that hasn't been said already? We met in Barbados when we both worked for Carter, Hoyos, Atkinson Advertising. I left, and next I saw her, she was in Brooklyn and married to my school and football pal, Hattan.

And I guess what became most remarkable to me was her unselfish love for Hattan. So much so that to this day, when I have to find an example of true love between a man and woman, Bev and Hattan's come first to mind.

'Lady Bev' (as I nicknamed her), you've done more than your share of Earthly duties. May the Ancestors reward you beyond just measure.

Hattan will once more be complete.

Bev, these words are so hard to say as it's still not real. We attended Girls Foundation School together and you were always the bubbly, funny person who carried that personality throughout your life time. We reunited in NY , and as the President of our NY alumni, you brought an energy to the group that ignited the organization to succeed, as all of our events were extremely well attended . You always said “all hands on deck” and you enforced it lol . You will be sorely missed! Deepest heartfelt condolences from my husband Mike , my children , my sister and myself , to your children , family , friends and our Foundation alumni family. May God wrap u in his loving arms, as I know you will also be wrapped in the loving arms of your husband as you are reunited again. Rest in eternal peace! 🥹🙏
