“ *The Olson Family posted a condolence We are so very sorry to hear about Brad’s passing away. Please know we are thinking of you all—Judy, Richard, and Shawn. Adapting will be difficult at times, but always remember how blessed your son is. He is at happy and at peace in the presence of the Lord. That should help when your heart aches. Also remember that God will see you through all of this. He never has and never will leave you. Brad will be missed by all who knew him.*
