“ Karen Caddell lit a candle You were an AMAZING person. Your strength and determination will never be forgotten. I learned so much from leading and I will never forget to fight for my people. I will always remember the days you walked in the shop with your giant smile. Things will never be the same but you will always be remembered. A little piece of each and everyone of us will be in heaven but you will live on in each and everyone of us. Your daughter will be AMAZING AND DETERMINED just like her Daddy.
