“ Louis Ortiz posted a condolence Brother I will never forget you. Thank you for everything you done for me when I was growing up. The one great many memories is the time you let me drive your car beautiful car it was a Chevy Malibu convertible. I just got my driver licenses for the first time. I took a chance of asking my brother to let me drive his car. I knew it would be a long shot before he would say yes. He saw my expression on my face and he said yes. He made my day and I was jumping for joy. He knew I was going to be the happiest little brother on the planet. My brother thought of others before himself. Rest in peace my brother you're in a good place now. Love you!

“ Chad posted a symbolic gesture Uncle Carlos I will miss your witty humor and your ability to read people with a smile. I remember when Charles wore your brand new sneakers to school and you had no shoes we laughed all day about that. I also know that you knew your Bible and our Lord and Savior Jesus Christ. I love you you will be missed so much God bless you.

“ Victor posted a condolence I'm going to miss you Uncle Carlos. You were a great man. As I was growing up you taught me how to respect people and how to be a good person. That has always stood with me. Your love of taking pictures and all the albums you had gave us a lot of memories when we looked at them. You will always be in my heart. I love you Uncle Carlos.
