“ Dear Grandma Carmen,

I wanted to take a moment to reflect on the profound impact you've had on my life. Your love, wisdom, and unwavering support have shaped me in ways I can't fully express. From our cherished memories to the lessons you taught me, your spirit will always be a guiding light.

As I navigate life without you, I carry your lessons in my heart. Your kindness and strength inspire me to be a better person every day. Though your passing has left a void, I find comfort in knowing that your love continues to live on within me and in the memories we shared.

Thank you for everything. I will always cherish you.

With all my love,

“ Dear Carmen you are gone but will never be forgotten. You were the Matriarch and Peter was the Patriarch of the family, and you both left us the same year. With his laughter and your cheerfulness, you both will have a grand time when you meet.

Your cheerful personality, your kindness, your sincere consideration for others, your absolute commitment to Family and your deep Faith will help all who knew you to always bring a smile to our faces as we mourn your passing and celebrate your life.

A life well lived, you have earned your rest. May the Angels who have always guarded you, waft to a Heavenly and Eternal Rest in Peace.

“ When I would come to NY from England you would always look out for me and open your home and your heart to me. Will miss the stories and sitting in your kitchen chatting. Love from Caroline and Ricardo Soltau xx

“ Mommy,
I thought you would never leave me. You
were my rock, my best friend to hang out with
or just be there when I got home. Now I feel
an empty space in my heart. I hope I’m as
strong as you said I was.

I know you will always be there when we need you, watching over
us; making sure we continue to love, be kind to each other and
others and continue to live our life with God.

As one of your favorite songs “Unforgettable” by Nat King Cole
that’s what you

Are to everyone you touched.

Love you always and forever your daughter Nickey
