

## Catherine M. Armario

July 25, 1944 - February 18, 2023

Catherine Armario died peacefully on February 18th, 2023 ending her decade-long battle with lung cancer. She is survived by her daughters Carina and Nina; son-in-law Brian; grandchildren Cayleigh, Jayden, Tyler, Jake, and William; and her brother Edward. She will be remembered as a strong, family-oriented, devoted, and loving woman. Those who knew her well knew she was fiercely protective of and loyal to, those she cared about and loved. The way she adored and cherished her grandchildren was immeasurable, as they were truly the biggest joy in her life.

After raising her children, she returned to the workforce and spent the next 35 years working as a valued member of the Freeport School District. Her colleagues remember her as a fun-loving, competent, and hardworking woman who made coming to work a joy. She also had the bravery to return to school and get her college degree with her daughter. Throughout the years, she lived life on her own terms and never let life's obstacles stand in her way.

Although we are all saddened by her death, we are relieved that she is no longer suffering and will be greeted by her darling Joseph, with whom she spent 36 years of marriage until he died in 2008. Lastly, we, her family, want to thank her for her life, laughter, loyalty, and love. She truly was one of a kind.
