“ I am so sorry Cesar to read this. I remember when you jumped into the Hudson River to save a drowning pigeon and you saved him.... I scolded you because you could have died. Please know I have been looking for you for years and may you rest his God's Heavenly arms... I will always remember you my friend

Your forever friend

“ Cesar and I have been best friends for 40 years. We always got each other's jokes and we always laughed especially trying to imitate woody woodpecker laughter had us rolling. They are so many wonderful memories that I will cherish forever. We are lucky to have found one another. I am heartbroken and devastated. I will miss you so much. You are the true definition of what a best friend should be.

I Love You C
