“ *Mi querida Cristina solo espero que Dios de consuelo a tu madre Ellen y tu hermano. Quien diría que hace dos semanas exactamente dos martes el último día que te vi me preguntaste si trabajaremos el día siguiente por miércoles y te dijimos Franco y yo que no porque era nuestro descanso, atinaste a decir nos vemos el jueves y eso fue todo. Quien vendrá a dejar las cosas cuando las necesitaba en cocina, se que nadie lo haría como tú lo hacías, con esos cabellos locos y al empezar con una cola para arrancar el trabajo. Cuando te preguntábamos si trabajarías al día siguiente y cuando decís que si nos alegrábamos y cuando decías No nos poníamos triste, si tan solo hubiera sabido que era la última que te vería te hubiera abrazado y decirte no quiero soltarte, solo se que hoy estás en un lugar mejor y cuidarás de tu madre y hermano y todo los que te queríamos en vida. Vuela alto, tan alto que brilles tanto y digamos esa es Cristina. Quien al ver mi lugar sucio al terminar el trabajo me diga “iuuuuuu” o el “omg” y te diga lo sé, lo sé estoy limpiando lo siento . Quien vendrá a decirme one budino por favor y el gracias siempre tan amable, o Daniela cheesecake o tarta de limón. Desde hoy te vuelves parte de un ángel mas, quiza no estés con nosotros hoy en día, pero mientras vivas dentro de nuestros recuerdos y corazones nunca dejarás este mundo, un beso al cielo, que desde hoy tengo una cometa en el cielo llamada Cristina.*

Te quiero Daniela y Franco

“ *Extrañare a aquella niña de los cabellos despeinados, y al momento de comenzar a trabajar se peinaba con una cola, aquella que te apoyaba en todo. La que siempre venia y decía Daniela una keylime, cheesecake o el famoso one budino porfavor, siempre el porfavor, respetuosa.*

Cada vez al terminar preguntaba si trabajarías al día siguiente, las veces que decías que si nos alegrábamos y festejábamos con Franco y cuando decías que no, nos poníamos triste, quien diría que ese último martes al terminar me preguntaste si trabajaria al día siguiente te dije que no, porque descansaba miércoles y me dijiste nos vemos el Jueves, te extrañare mucho dulce pequeña. Extrañare que vengas a mi estación cuando limpiaba porque veías algo sucio y me decías "iuuu" o "OMG", y yo te decía estoy limpiando ahora lo dejo limpio.

A la mamá y su hermano mis condolencias, y fuerzas, tengan en mente que ella está en un lugar mejor que desde allí ella los cuidara y protegerá, que será un pequeño ángel hermoso, ella nunca dejará de existir mientras sus recuerdos queden en las personas que la queríamos en vida, de mi parte nunca lo olvidaré.

Para terminar hoy te vi muy hermosa y así te tendré en mi mente mi Cris.

Atentamente Daniela y Franco.

“ Dear Ellen and Nick,
I want to tell you how sorry I am that you are going through a day no parent should. I have COVID and therefore will not be at the services, and I wanted to tell you how much Christina was loved and appreciated.

Christina was like a sister to me at The Harrison. We watched out for each other. We made sure each other ate our healthy diet. We shared the work that needed to be done that others were too lazy to do. I could count on her, and she could count on me. I was grateful on days we worked together because I knew I had a “compadre” someone I could count on. We laughed often together. We even fought and made up like sisters.

Christina was a diva without the diva attitude. Unlike some girls, she didn't pick out visual faults to focus on. Christina instead became a model. Beautiful and amazing. She was a small skinny girl, but don't tell her not to be a body builder, she did it and succeeded. All this while going to school to become a pediatric occupational therapist to help others. My favorite was when no one would tell Our boss anything, she had the gumption to call him up and request a meeting to discuss the needs of the wait staff. Gumption. That describes Christina perfectly. I used to work in the film industry and in screenplays the heroines are always the woman with gumption and gile. Christina threw herself at the world in her short time here on earth and she did it while touching many hearts. She was loved by all and never had a bad word for anyone. In a restaurant, being loved by everyone is an impossible fete, but she did it. I will miss her greatly. My heart is broken as so many of us. Her love was great. Whether it be for her family, her fellow bodybuilders, her longtime friends, or her friends from work. She will be missed but made sure we wouldn't forget her.

Thank you, Judy Timm

“ *Dear Cassella family,*

My thoughts and prayers are with you during this very difficult time. I will always have fond memories of Chrissy. She was very considerate and genuinely cared about me. She checked in regularly just to make sure I was doing well. Her ambitious nature was admired. She was such an impressive woman and will truly be missed. Rest in peace Chrissy!
