“ *Pat Batus posted a condolence It is not often that one comes in contact with greatness, humility and selflessness all in one person, but that was our dear friend, Cliff.  
A great man in the sense that he so loved people, his family in particular; a humble man in the sense that his accomplishments were always shared and a selfless man, as he would go out of his way to do anything for anyone.  
You will be more than missed, my friend!  
It was an honor to know you!  
Rest in peace!*
