“ William Rodriguez posted a condolence I'm sorry I failed you. I still do miss you. You will always be my grandma no matter where I am in life. I miss making funny faces with you and having laugh attacks, my heart is broken, you loved me as if I were your own, and I love you back in return, never judged me but was so generous to me overall, I loved your cooking, you are my superwoman, I will always miss you! You are special to me, I'm sorry I failed you! I love you Rest In Peace mama, it's hard for me not to weep everyday to such a caring woman, you are my good friend, I will always miss you and I will always have a place for you in my heart filled with memories that no one will ever take away from me. You are strong, you are fierce, intelligent, everything anyone can want in a grandma! An uplifting rush, a circle of light, I can now look up into the sky and look at your shining star and scream I love you Dolores! I love you!
