“ *Sending our deepest sympathy to the entire family. It was an honor and a privilege to know your father (grandfather/great grandfather) for all these years. Through his many years and life experiences he gained so much wisdom and knowledge that he shared with his interesting stories. He will be missed by everyone whose life he uniquely touched. We are so sorry we can't be there in person but know that each and everyone of you are in our thoughts and prayers.*

Love,

Doreen and Donald
