“ Mary Lou Carolan posted a condolence Your mom was a lovely, classy woman. I am glad to have known her. I will remember her at the beach cabana always - her calm demeanor, soft voice, the way she walked....my heart is full for you both Diane and Jeanne - losing mom is so difficult. Mary Lou

“ David Lessoff posted a condolence I never had the pleasure to really get to know Doris but the few times we did meet she was always so kind and sweet. I can only hope and pray now that her long and arduous battle is over she can finally Rest In Peace. I will also pray now that she is gone that Diane, and her family can find peace and acceptance. Tonight when we look to God for strength don't be surprised if the face of heaven is a bit brighter as a new angle helps to light up that sky.
