“ Stephen Ternlund posted a condolence Mike, I am so sorry to hear about your dad. It's never easy to lose someone and especially now during the holidays. You must know that he is in a better place already and I am sure the Lord above has made your dad a captain and leader of the fire dept. in heaven above. He will definitely be the leader there as he was here in the FDNY and at this time he is again reunited with his son and the men he led.
