

## Eladio V. Cepeda

April 2, 1964 - July 13, 2023

Eladio Virgilio Cepeda passed away on July 13, 2023 at 59 years of age. He lives on in the hearts those who were blessed by his presence in their lives. As the first son in a large and loving family, Virgilio was cherished from the moment of his birth. Virgilio grew to become a fiercely loyal and devoted son, brother, uncle, and father to his daughters Elaine and Ivana, who all strive to embody his spirit. Virgilio had the special gift of seeing and knowing a person's heart through the way they carry themselves. A longtime resident of Freeport, he greeted the world with a ready smile and a nickname for any friend, new or old, who had the pleasure of meeting him.

Virgilio insisted on teaching his daughters as well as his many nieces and nephews to hold their loved ones close and to face the world with the pride of knowing where they came from. He taught them to carry the love and lessons of his mother, Nidia, and his father, Eladio, through this world, and to value the responsibility of that legacy: to honor and care for others to the best of one's ability and to open one's heart to receiving that love as well.

A viewing and memorial will be held at Hungerford & Clark on Thursday July 21 from 2:00 to 4:00 PM and 7:00 to 9:00 PM, followed by a mass at Our Holy Redeemer Church on Friday July 22 at 9:30 AM.
