A memorial service will be held Saturday, November 7, 2020, from 11am to 1pm.

During this unprecedented time, and in compliance with guidelines stipulated by the Centers for Disease Control and the NYS Department of Health, we are forced to limit attendance at visitations, memorials, and funeral services to 50 people or less. Our staff may ask mourners to wait outside the chapel, outside the funeral home, or to keep their visit brief so as to allow others an opportunity to mourn. While in the funeral home, we are requesting all visitors

to wear a mask and to limit physical contact such as hugging, handshaking, or contact with the face. There is also hand sanitizer readily available.

THANK YOU FOR YOUR UNDERSTANDING
