“ Robert Rosenberg posted a condolence Mom, I will never forget you. Thank you for giving me a chance at life. You and daddy picked me out of a gymnasium full of little monsters just like you. I know I made a promise to you and daddy that you would never have to go to a Nursing Home or one of those warehouses for the elderly. In doing so Peter was the only person in the world who accepted that and didn't hate me. All of your daughters hated me for what I did and that's OK. I told you you could spend your last few breaths in your own bed and you did. I will never stop loving you and I will never forget you. I will see ya in Heaven very soon. I LOVE YOU
