“ Susanne Norris posted a condolence *Dear Windhurt Family, I am so sorry for your loss. I loved your Mom. She had a warmth and compassion for others. She always made me feel special and was fun to be with. I have fond memories, that make me smile, of us (your Mom and Dad and myself) cooking in the kitchen at Tremper. That was a crazy summer but your Mom & Dad made it easier and fun. They were a blessing. The last time I saw your Mom was on LI and when she saw me she screamed my name with a giant smile and hugged me. She made me so happy. I will always cherish that memory of her. Thank you for sharing your Mom & Dad with us. May God bless all of your family and give you comfort in this time of sorrow.*

“ Audrey Norris-Clancy posted a condolence *My dear friend, Ellen has gone to be with the Lord. So many happy memories come to mind when I think of her. We were young mothers together, sharing our struggles as our families grew. We worshiped together at Christ Lutheran Church; we shared experiences at Mt Tremper and in Freeport. Her greeting was always effervescent, she was a warm loving person. Even though life took us in different directions in later years, I could not forget her.*

My condolences to all her family. I know you will miss her, but you must know you were her greatest joy! We will see her and John again.....
