“ Sharon Insogna posted a symbolic gesture Dear Eva; I never met you in person but your daughter That bin shared with me so much about you. The day I learned of your unexpected transition to of Heavenly hope a praying mantis s joined me in my room and rested quietly for some time on my wall here in NYC. It is rare but beautiful to see that and it was a peaceful feeling that lingered. I do believe you made it into the arms of our Heavenly Father. I hope you dance. The word of God inspired word comforts us and reassures us that to be absent from the body is to be present with our Lord. I pray you are basking in His glory ; unworldly peace and unending love and may the hope of His glory by the power of His holy spirit be with Robin; her family and your friends as we remember you that we can also take hold unto our hope and promise that because of the resurrection and life of our saviour Jesus on the cross we will live forever with Him in h His kingdom for surely He has prepared a place for you as He has promised. 2Corinthians vs 5 In the life and hope of Jesus Ms Sharon Insogna
