“ *Lisandro Penalvert posted a condolence Another year passes by and I wish you were hear with us. I wish you could see how big the boys are now. I wish you could see your two new great grand babies. So many Sundays have passed and it feels like yesterday you were walking into our home sitting at your spot at the table and having a cup of coffee I miss those days, I miss your jokes, I miss hearing you say that no matter what happens things will be ok (no te preocupes todo va estar bien). Those few words had so much power to them I didnt realize it. Thank you for that and thank you for everything you did for me and my family. I love you and miss you so much!*
