“ *The Toussaint Louverture Cultural Foundation, with deep sadness, learned the passing of our friend Frantz Woolley after a short illness. Our deepest sympathy to his wife, children, granddaughter, and others who are affected by his passing.*

We will miss Frantz dearly, his yearly summer exhibits in his beautiful garden, where he displayed his art, and shared with his many friends his love of nature and classical music.

Frantz participated in the effort to raise funds for the Musee d'Art Haitian damaged by the earthquake of 2010 by donating his artwork to the foundation.

May he Rest In Peace.
