“ Fred had a heart of gold. He was a fantastic friend and would always be there for you. He made everyone laugh. They both were family to us. When my husband and I renewed our wedding vows, Fred did it for us. We will miss him terribly. Rest in eternal peace my friend.

Fred. What can you say about a man who showed kindness, strength, & generosity. He was always the first to offer help. He was a loving & dedicated husband and dad, so sweet & thoughtful. I will miss running the boat with you & those sunset rides home.
