“ Mark Harvey lit a candle My condolences to the family. I was glad to see Giggy at Wheatley last fall after not seeing him in decades... At the school that night they had class photos in the gym and Gig sneaks into the class of 75 photo and stands in the back row. Nobody said anything and he ended up in the official photo. Always such a great sense of humor. Nothing but fun memories...

“ Jeremy ArbitalJacob posted a condolence My sincere condolences. I will always recall George's huge smile and humor. I have a wonderful memory of when our 6 or 7th grade class went away on a science outing upstate. George and I were stomping and laughing through a stream getting our boots soaked. Every once in a while, George would say to me "remember getting our boots soaked?" While we were not really close throughout the years, this simple and fun moment will always be a fond memory and to me a small 'snapshot' of George's warmth and enjoyment of life. Once again, my sincere condolences. Jeremy
