“ My dear George, we have so many beautiful memories. When you walked in a room , your smile alone would light it up. You had a beautiful inspiration on every one . Always trying to stay strong when you suffered inside. Never had a bad word to say about others . You had so much love to give and always had an ear to listen . Your love for your family and others. We had fun when there were storms that you had to leave your home and stay with us. Thanksgiving dinners together. You loved my stuffing . Bobby being the first one to take a bath when you had your new bathroom installed. We always joked about it and still have the photos with bubbles everywhere. You got such a kick out of that moment. I loved your laugh . Sitting in the parking lot watching me cross kids and direct traffic. I'd look over and you would have the biggest smile . You told me you loved just sitting in the car watching me . Most of the time I didn't know you were sitting there , But you would call me that evening and let me know !!Your heart has been broken into pieces for a very long time . And we all shared your pain. My kids and I will always cherish our memories. You'll be missed so much , but I know your at piece now .RIP our angel.I love always and forever . Debra , Bobby and Rachel.
