“ Dear Momma Smith,
This is Terese... Ken's wife. Hale was Ken's Best friend... he adored him.
Our youngest Hayley is named after him. Ken was distraught when Hale passed. You reached out to us last year on Ken's passing.. we did not forget I am just coming up for air. Know that they are both together now...with all that intelligence and that quirky humor. Know that we will never forget hale and Thank god for his existence
Blessings,
Terese and Girls
