“ Janice Crippen posted a condolence About a decade ago, I met Holly and we became fast friends. I admired and respected my amazing dear friend. She was so strong when her husband Jim suddenly passed away. Less then 2 years ago, she helped to care for her sister Candy, who passed away after a brief illness. Thankfully Holly's faith was strong. I have no doubt she's in heaven with her husband, her sister, her parents and other loved ones. Holly was a long time dedicated Nassau County public servant, often working late, giving 100% of herself. One evening, Holly graciously drove me to have a dreaded biopsy, and she was so supportive when my father passed away. I am shocked and saddened she was called home so soon. My sympathy goes out to her brother, sister-in-law, brother-in-law, cousins, and to her friends and colleagues on their loss! I can't imagine this world without Holly Baker's beautiful soul. Until we meet again, may Holly enjoy her richly deserved heaven! Miss & Love you Holly Girl, Janice Crippen XOXO

“ Eileen Battle posted a condolence I spoke to Holly several times a week and wI already miss her terribly. She was so helpful and understanding and I knew if I called her, she would solve my issue. We became friends and sometimes spoke at length about everything and anything. I am still in disbelief, but I do believe Holly is at peace with her sister whom she loved very much. My condolences to her brother, brother-in-law and all the members of her family. I really want them to know how Holly was a very well-liked and respected Nassau County employee and a friend to many. This is a very sad time for us all. May you RIP Holly, Eileen
