“ Antonio Lopez-Canino, MD posted a condolence *Dr Preval was a great psychiatrist and an excellent teacher. While He was the Director of the Psychiatric Emergency Department in Stony Brook, I had the opportunity to be trained by him during my first three years of residency. His experience, knowledge, charisma helped me become who i am as a psychiatrist. He was caring, funny, jovial, and available to answer questions and support. It saddens me his passing. May God grant his family and his sons peace, comfort and tranquility. Sincerely,
Antonio López-Canino, MD*
