“ My deepest sympathies are with you all during this profoundly difficult time. The news of our beloved Hurson J. Belizaire's passing has left an immeasurable void in our hearts, a stark reminder of how precious and fleeting life can be.

*Hurson was truly an extraordinary individual, a beacon whose life exemplified the profound truth that it is not the duration of our days, but the richness and impact we create with them, that truly matters. He lived every moment with an admirable zest, an unwavering kindness, and a generous spirit that touched everyone he met. His wisdom and warmth left an indelible mark on us all, and his memory will continue to inspire us to embrace life with similar passion and purpose.*

*We must also acknowledge the incredible strength and unwavering devotion of his beloved wife, Lamerchie. Her tireless care, boundless grace, and unconditional love throughout his illness were a testament to a beautiful, enduring partnership. She stood by him as a true anchor, demonstrating a love that is both rare and inspiring.*

*To Hurson, Alix and Conrad, as you navigate this period of immense grief, please know that the love your father shared with you, and indeed with all of us, remains an unbreakable bond. May you find solace and fortitude in the countless cherished memories and the profound legacy he leaves behind. Though his physical presence is gone, his spirit of joy and compassion will forever resonate within you and through the lives he touched.*

*Let us honor Hurson by carrying forward his philosophy - to live fully, to love deeply, and to approach each day with the same open heart and inspiring spirit he so beautifully demonstrated. May you all find peace and comfort in the enduring love and memories of such a remarkable man. God Bless!*

“ Our deepest condolences to the entire family. Lamerchie, Hurson, Alix and Conrad, we pray that God brings you peace and comfort during this tremendously difficult time. We honor Beli and remember him as a man who was a beacon of light in all our lives. He had a way of filling every room with laughter, warmth, and pure joy. His kindness touched everyone he met, and his happiness was contagious. Whether it was his quick smile, his playful spirit, or the way he always put others first, he made our lives brighter. Family occasions—Christmases, Thanksgivings, and all our cherished holidays—were always a joy with him there. He had a special way of making every celebration brighter, every tradition more meaningful. Though he is no longer with us, his love, his laughter, and his light will stay in our hearts forever. We will miss him deeply, but we will carry his happiness with us always. May his memory always be a blessing.
