“ My love Jackie-- We have so many memories together. I will miss how honest and loving you were. I will miss how you truly enjoyed every second of every day. My favorite memory of ever was when I went to Fashion Week and we went out. We were so tired of walking and did not have any cash and you somehow convinced the Horse and Buggy guy to give us a ride to the train station for free. We have an amazing ride around NYC and then went home to bed. Enjoy heaven my friend. We miss you always Love Mari.

“ My love Jackie. I will sincerely miss you. You have always been such a great friend. I am sad we did not get to have our fun adventures we planned for your next visit. But I promise I will always hold dear all of our amazing memories. My all time favorite memory is when we were too tired to walk from one club to the next and we convinced the horse and carriage guy to give us a free ride since we didn't have cash on us that night. I know you are in heaven. I am sorry I can't make the viewing but I am sending so much love to you in heaven and your family from Houston. Love Mari 💕
