The only solace I have is that she will never suffer again as she has for many years battling MS. My love to Pat who cared for her for so many years - she will always be your guardian angel. “ *Janet McCarthy posted a condolence I am so saddened to learn of Jeanmarie's passing. I am a former co-worker at Farrell Fritz, and remember most her wondrous laugh, which came easily, and quickly warmed the workplace. Before getting to know Jeanmarie personally, I often gazed at this beautiful woman with the contagious, never-ending smile, who so cheerfully walked through the halls, cane in hand; I remember her bright red blazer which only enhanced her smile. Jeanmarie, you are with your Mom and Dad now, and I'm sure you and Dad are watching the Yankees from above !!!*
