“ Madeline Staton posted a condolence I have many fond memories of Jeff one of my favorite memory is when I would give you your medications and you would stick out your tongue at me with that pill. Then you'd laugh at me and say "I like you!" You were one of the reasons why I enjoyed my job, I loved your company in the mornings while I passed medications you'd try your best to get my attention by your famous hooting or saying "hey!" You'll be definitely missed!

“ Michael J. McAdams posted a condolence I will always cherish the way Jeff would always smile at me and say, "I like you Mike!" Jeff, you are in my heart forever and now you are with your mom and dad and couldn't be happier.
