“ *Maureen & Ray Straub posted a condolence We are very saddened at the passing of our dear friend and much loved neighbor for over thirty years. Joanie was fun-loving and witty, with a tremendous sense of humor. So many memories, including "hose wars" through our joint fence; snowball tosses; enormous love and moral support during some of life's difficult times. It is hard to say goodbye from a distance, but we do so knowing that you are at peace now Joanie. Thanks for the memories dear friend.*
