“ Uncle Joe, your absence leaves a profound void in our hearts. I cherish the countless joyful moments we shared, especially that unforgettable day when you spotted “Gaga” at the station. From that moment on, we created a cherished inside joke that will forever remind me of your warmth and humor.

Your spirit will always be a part of our family, and I am grateful for the laughter and love you brought into our lives. You will be dearly missed.

“ Uncle Joe you were one of my favorite humans. We shared so many good memories together that will never be forgotten. My favorite memory is when you saw “Gaga” at the train station, from there on out it was a running joke between us.

You will forever be missed and I am grateful for all the memories we made! Love you!

“ Joe, I love and miss you so much. You were a wonderful brother. You had such a great sense of humor. All of your family, friends and colleagues loved you. They told me great stories of you. I remember when I was 10 years old and when I got home from school I would take my bike and pick Joe up from kindergarten on the handlebars of my bike everyday. You will be forever in my heart and will never be forgotten. I love you your sister Eileen
