“ Kathleen Marten Flavin posted a condolence I loved Farrell family gatherings because it was always a pleasure seeing Joe and Eileen . . . always with happy smiles on their faces. I am sure Eileen greeted him with open arms and Dan the Man was right behind with an ice cold beer! My sister Mary, Ed Dolan, as well as his loving parents were there to welcome him home. That being said, it is so hard for us here on earth when those we love leave us. I hope you'll be patient with yourself as you process your grief and profound sense of loss. Just remember that your family surrounds you with love and support.
