“ Debra Trostle posted a condolence My dearest Aunt .. she has taught me many valuable lessons over the years ..Mostly from the scriptures.
She had a beautiful singing voice and was quick witted and always gave you a loving feeling when you were around her .
We have had many laughs together shard photos of her cat family too I always loved when she travels to PA. She would say “ Debbie I got a new do ! I see you have a new do too !”
I’m smiling as I write this because that was what she always made me do . Smile May she Rest In Peace until Our Lord Jesus Christ returns again ..love you , Deb

“ Gary & Sharen Waters posted a condolence *Dearest Lisa and Tom, You are so special to us and we're saddened by your loss. Although we didn't have an opportunity to meet Mrs. Diggins personally, she must have been a lovely person. Because our loved ones live in us. Not just their legacies, but the very essence of who they are. Because their lives have so richly touched ours. And you are beautiful. You care so genuinely and love so thoughtfully. We are keeping you close in our hearts and in prayer. We look forward to sharing gentle moments with you when life is more settled. We're here. If and whenever you need us. We wish you peace and comfort, dear friends,*
