Kandace was such a loving, kind, and so full of 'feel-good FB posts.' We spent a wonderful time together last year at The Tartan Day Parade event. She offered me the new Westie to escort at this year's parade in April after learning my Sealyham had crossed over. Because of Kandace, I attended my first Highland Games Celebration last year.
I will miss her pup posts, her incredible generosity of spirit. Kandace was a Blessing to Us All. Life does not give us a minute to spare! She certainly used them all, in a wonderful spirit of sharing her talents and gifts – her unlimited generosity. My heartfelt prayers and sympathy go out to her family and friends.

“ *Darla Dugger posted a condolence Dear Kandace's Family, I am so very sorry for your loss! I never got to meet this amazing woman but I had dealings with her through the Westie world. She was such a lovely, lovely woman! She brought much happiness to those who were lucky enough to bid and win one of her beautiful needle works. She helped raise so many funds for all the Westie Organizations across the US and Inter'l as well! She will be terribly missed by everyone!*

“ *Thelma Brinson posted a condolence I met Kandy, as many others did, on the internet due to our love for Westies. I thought she was the sweetest person and amazed at how much of her time she gave to rescue. She was so dedicated and sincere. I was blessed to have met her twice at Montgomery where she was heading up the rescue parade. I have to share a memory. I was looking for a cowboy hat for my westie for some event, of which I don't remember. I wasn't having any luck. I mentioned this to the westie list group we were part of and low and behold, Kandy found one and mailed it to me. So typical of her. I still have it to this day and it was at least 15 years ago. My prayers to her husband and father and her two pups.*

“ Carolyn Dorr posted a condolence Kandy, my heart is broken. Over the past short 6 years of knowing you, I have enjoyed you so much. Our phone conversations, our shared interests were such a joy to me. There is so much of you sitting around me. All I have to do is look around and you are there. I won't be able to read, cross stitch or decorate my miniature doll house without thinking of you. Whenever I read Olivia The Pig to my granddaughter, or see her with her stuffed pig, I will think of you. You were so talented and you gave a bit of yourself with each cross stitch item you sent. I will miss your laughter. You were such a loving, caring person. I can't believe you were taken from me so suddenly. I hope you are with all your babies that you took such special care of. I sure will miss your holiday pictures of your Westies. I am missing you already. I know Penny and Merry are. My prayers are with Sheldon and Arthur.
