“ Steve and John posted a condolence Dear Bobby, We're both so very sorry to hear about Kenny's passing. No one could tell a joke like Kenny. We have very fond memories dating back to 1980 when we all first met.. the many parties, going out on Kenny's boat, Halloween parties, the dances.. going out to the clubs...fun times that were had.... Kenny would be glad to know that the "ornamental basil" that he gave us seeded all over Nassau and Suffolk County.. LOL.. Ken will be greatly missed...our Deepest Condolences... Very sincerely, Steve and John
