“ Joe Pascarella posted a condolence To the family of Mr. Ken Rommel first I Would like to thank you for your husband/father's service to our country. I would also like to thank him for the many things he did at the Veterans Service Agency for our veterans and especially for the things he has done for my mother Marion his co worker. Mom often spoke very highly of Ken to me. I pray that God gives your family the comfort, strength and healing to get you through this most difficult time. Respectfully yours,
Joseph Pascarella Jr.
