“ *Sean Caldwell posted a condolence I was blessed to have Kevin as
a student in sixth grade. His warm smile and gentle nature warmed
my heart and my tough days during that year better. Kevin had a
personality that was so positive that it was almost intoxicating and
you couldn't help but smile along with him. He had the ability to
make a simple greeting such as saying good morning feel more
than just a formality. We are all fortunate to have known him.*

“ *MARIA DELGADO AND FAMILY posted a condolence Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave bereft
I am not there. I have not left.
R.I .P my sweet baby*
