“ Terry and Judy Olson posted a condolence Dear Doreen, Kenneth and Regina,  
We know Doreen...we never knew Laura, who died too young. But we just want you to know we are thinking and praying for you all. We know that sisters share a special bond. As we know, they may not always get along, and they may annoy the heck out of each other every single day (as Judy and I do), but they still love each other like crazy. They will be extremely loyal to each other, and they will be each other's biggest fans.  
Consider yourself blessed if your best friend is your sister. The love will only grow bigger in time, and the bond only stronger. Not everyone is blessed to have a sister, though. Those who do have one should know just how special a relationship like this is. And Kenneth, we pray you remember your wonderful mother—all the fun and good memories you had with her. May you all find comfort and strength in these memories and knowing that she is with God now, and happy.  
Our sincerest sympathy,  
Terry and Judy Olson
