“ Fred Ledetsch posted a condolence Dear Sabine,  
Your dad was a true friend and it was my privilege to know him. He always was so upbeat and positive, a real inspiration every time I saw him. I will miss him. One thing I know for sure is that he loved you and appreciated having you in his life. You did up and beyond what any daughter could do for a father. I admire you for your dedication and selflessness.  
Try always to remember all the good times you shared together and rest in the fact that you were the light of his life.  
Love your friend,  
Fred
