“ *Mary Louise Amilicia lit a candle Dear Steven and family: On behalf of myself and my family we would like to extend our deepest sympathy to you and your family in the loss of your Mom. I had the pleasure of meeting her and also seeing her a few times when she came by the shelter. She was always so nice and she just seemed to be a very caring, thoughtful and gentle person. She really went thru so much in such a short time and you were always there helping her get thru the good and bad times. You were a wonderful son to her and she is now at peace and no longer suffering or in any pain and she is reunited in heaven with other loved ones. She is another beautiful angel that will be watching over you and your family and all of those people that knew her and loved her. Once again we are so sorry for your loss and may God bless you and your family and give you the strength that you need to help you thru this difficult time. Leslie, you and your family will always forever be in our thoughts and prayers!!! May she rest in peace!! With all our love always, Mary Lou, Frank, Valerie, Michelle and Danielle Amilicia Family*
