“ *Michael Chambers posted a condolence RESOLUTION Presented to the family of Lavern Wellington*

Be it known to all that the Inductees, members and friends of the world's first Cricket Hall of Fame hereby honor the life and memories of the late Lavern Wellington, who sadly passed away on July 28, 2019. Liven possessed an excellent knowledge of the game and was an excellent player who represented Jamaica. We are deeply saddened by his loss, but feel lucky that we were able to know him. Few times in one's life do you come across a person with such great passion, grace and expertise. We hope that all who knew him will find some comfort in reflecting on their fondest memories of him.

Please accept our deepest and sincerest condolences.

Michael Chambers, Executive Director Cricket Hall of Fame USA
