“ Laura Maitland posted a condolence Lorri was an incredible science teacher who inspired students every day. She worked tirelessly to enable all of her students to succeed, Working with science research students, she mentored them so that they could do their best, and many achieved both local and national recognition. Lorri was a valued member of the Mepham Science Department. She was a cohesive force who helped everyone to feel valued. I loved her. She will live on in the hearts and minds of us all.
