

Lucille Conlin Horn

February 11, 2017

Horn, Lucille (nee Conlin)

Born May 16, 1920, after her twin sister who died at birth. Lucille became a Coney Island incubator baby and survived. She began life's newest journey on February 11, 2017. Wife of the late Clarence E. Horn, Jr., Cherished sister of Dorothy (Wally) Hultman and the late Jane and Bob Northridge. Dearly beloved mother of Lance (Rosemary), Clare, Barbara, Julie and Paul (Barbara). Eight grandchildren and four great grandchildren will miss growing up with her. She treasured her 8 nieces and nephew. Her little rescue dog Riley keeps looking for her.

Mom's life was a gift of love and a fine example to her children. She was a great lady. She converted to Catholicism through the inspiration of the Jesuit who counseled her when she was preparing to marry Catholic father. She practiced her faith with joy and dedication.

She loved her sisters, Jane and Dorothy, shopping for shoes in Nordstrom's, all the dogs in her life, especially Riley, the last one who comforted her and brought her joy in her later years, and, of course, chocolate. Her powers of observation were legendary; her hearing and vision at 96 surpassed almost any 20 year old.... she was ingenious at spotting the funny things in everyday life.

She was a gracious host to her children's many friends, treating them like the grandest combination of honored guest and close family member.

She often pondered; "what would life be like if my twin sister were here?" At the cemetery today, we discovered that there is room for Mom to be buried with her twin sister. May they rest in peace.

Visitation Monday, Feb. 20 (her 75th wedding anniversary), from 2-4pm and 7-9pm, Hungerford & Clark, 110 Pine Street, Freeport, NY, 11520

Funeral: Tuesday, Feb. 21, 10:45am at St. Mary of the Isle, Long Beach.

Burial: in her native Brooklyn at The Evergreens Cemetery to follow.

“ Carol Boyce Heinisch posted a condolence My deepest sympathy to Lucille's family. I had the pleasure of meeting her during the "reunion of Dr. Couney's Incubator Babies" at her home. She was a lovely lady and it was wonderful of Lucille & Barbara to host us on that very special September afternoon.
My prayers are with you all. God Bless!

“ Ellen Campion Keefer posted a condolence I can't begin to tell you how lucky we were to grow up on Centre Street with your mother. She was such a kind and loving lady. I know that she and Mom had lots of laughs together, I guess they needed to laugh with each of them having five children. Mom often talked about the time that she and Rose and Lucille had to sit down on the curb because they were laughing so hard that they couldn't stand up. God bless you all. I guess that we all need to count our blessings for being lucky enough to have our beautiful ladies this long. Much love!

“ *janet bliss patrick posted a condolence Dear friend Clare and all the Horns,
What a loving tribute to your mom. As I just read this obituary it makes me think of her lovely vitality and grace, and the stories we shared about her as she grew old in years but never in spirit. Our parents were the best and in choosing to raise us in Freeport , sending us all to HRS..we have known and loved each other OUR whole lives. And so wonderful that your beloved Mom will be buried next to her twin sister she only knew in spirit. May they rejoice now together in peace. Your mother was a very fine person. I know you will miss her so much but you will hear her words always. In deepest sympathy and much love to your whole family , Janet Bliss Patrick*
