“ Myra Medina posted a condolence Dear John & Beloved family, We're never really ready when a loved one leaves this world. There's always so much left we want to say. We catch ourselves recalling little moments that we shared and smile at every sweet "remember when". We tell our favorite stories, and we laugh & cry & sigh, and somehow we feel close to them again. I have fond memories spending this past Christmas Holiday dinner with cousin Lily & her beloved husband John with my family. Lily was bubbly like champagne with so many adventures & stories to tell. She filled us with laughter, joy, happiness, & most of all sharing her love with us. This is how I will remember her for she is always with us. Her spirit lives on. My heart goes out to you John & I'll keep you & the family in my prayers. My sincere sympathy with love, God Bless. Myra Medina

“ *Carl Lawrence posted a condolence Dear John, Kathy and Family: I am at a loss for words. It doesn't seems possible that Lil has left us. I have such wonderful memories of the times we have shared over the years. I hope that you can find comfort in those memories, knowing that she is at peace and not suffering and from the love of family and friends who surround you. Namaste, Carl*
