“ Joe and Phyllis Doyle posted a symbolic gesture We just found out about Marge's passing. We send our condolences to her family. We have so many happy memories of both Marge and John, working as a team with them in OHR's Pre-Cana program. They were a dynamite couple and their love for one another and family was so obvious. Marge ran circles around John in her activities. She needed him in her life to slow her down "a bit". We still have the stained glass that John made for us, hanging in our kitchen window. Such wonderful memories of them in our hearts and minds. We have been blessed.
